CRYSTAL LIGHT BEDS

Find a practitioner near you

The Crystal Light Bed was designed and developed as an important healing modality at medium/healer John of God's spiritual centre, Casa de Dom Inacio (House of St Ignatius de Loyola) in Brazil. The Crystal Light Beds are prescribed by John of God for rejuvenation, alignment and balancing our body, spirit and mind.

During Joao de Deus's recent visit to Sydney, more than 45 Crystal Light Beds throughout Australia were brought in to assist the spiritual work.

We have updated our comprehensive directory listing with current Crystal Light Beds operating in Australia and New Zealand.

Visit www.johnofgod-guide.com.au to find a listing of endorsed Crystal Light Bed practitioners in Australia and New Zealand.

Do you own a Crystal Light Bed? Practitioners are welcome to join our **free directory** – simply submit your details at www.johnofgod-guide.com.au and **like** the Crystal Light Bed Australia facebook page at www.facebook.com/crystallightbedaustralia

John of God – Brazil

Lost in Buenos Aires is not the usual way people meet their soul flame – but Adriana and Nathan’s life journey has been anything but usual.

Adriana had travelled from Sydney to Brazil in the hope of recovering from a severe form of cancer. Dr Augusto de Almeida, working through medium Joao de Deus, declared Adriana ‘free of the spider’ – a metaphor he uses to describe cancer. Joao de Deus asked Adriana to share her story with the mediums in the current room and was invited to return home to help others on their journey to the Casa and to **'work with her hands'**. Adriana has become an established and reputable Casa Guide and Intuitive in Australia.

During the same period, Nathan had transformed from a Music teacher to a primary caregiver. Inspired to search for hope in a friends fight against cancer, Nathan began developing his intuition and in the **process discovered** the healing work of Joao de Deus. **Nathan fulfilled a vision and recounts numerous deja vu experiences on his initial visit to the Casa** – a place he calls his second home.

Although Adriana and Nathan have been adversely affected by cancer, it was the stimulus that inspired them to search for their purpose in the world and to connect with source energy. Official Casa Guides since 2001, Adriana speaks Brazilian Portuguese, Spanish and English making your spiritual journey a reality.
